Cookies

To improve the responsiveness of the "website" for our users, we may use "cookies", or similar electronic tools to collect information to assign each visitor a unique, random number as a User Identification (User ID) to understand the user's individual interests using the identified computer. Unless you voluntarily identify yourself (through registration, for example), we will have no way of knowing who you are, even if we assign a cookie to your computer. The only personal information a cookie can contain is information you supply. A cookie cannot read data off your hard drive. Our advertisers may also assign their own cookies to your browser (if you

click on their ads), a process that we do not control. We receive and store certain types of information whenever you interact with us via the website.

C. Inferred Information through usage and log data

We may track certain information about you based upon your behaviour on using BCCL services. We use this information for conducting internal research on our users' demographics, devices, interests, and behaviour to better understand, protect and serve our users.

We may also collect Your Information to track user behaviour and preferences for internal analytics and research. We may also use your information

- i. To evaluate your interest for various genres of content, services, offers;
- ii. To perform analytics and conduct customer research, to determine your interest, for identifying content that generate sales and to analyse traffic patterns.

If you choose to post messages on social media accounts, message boards, or other message areas or leave feedback, we will collect that information you provide to us. We retain this information as necessary to resolve disputes, provide customer support and troubleshoot problems as permitted by law.

The above information may also be captured by keeping cookies on our websites by our affiliates for the purposes mentioned above

If you send us personal correspondence, such as emails or letters, or if other users or third parties send us correspondence about your activities or postings on our services, we may collect and store such information.

D. Information we collect from third parties

Information obtained from other sources

We may receive information about you from other sources, add it to our account information and treat it in accordance with this policy. If you provide information to the platform provider or other partner, whom we provide services, your account information and order information may be passed on to us. We may obtain updated contact information from third parties in order to correct our records and fulfil the Services or to communicate with you.

Demographic and purchase information

We may reference other sources of demographic and other information in order to provide you with more targeted communications and promotions. We use Google Analytics, among others, to track the user behaviour on our website. Google Analytics specifically has been able to support display advertising towards helping us gain understanding of our users' Demographics and Interests. The reports are anonymous and cannot be associated with any individual personally identifiable information that you may have shared with us.

Links to third party websites

The Application may include links to other websites or applications. Such websites or applications are governed by their respective privacy policies, which are beyond our control. Once you leave

our servers (you can tell where you are by checking the URL in the location bar on your browser), use of any information you provide is governed by the privacy policy of the operator of the application, website you are visiting. That policy may differ from ours. If you can't find the privacy policy of any of these sites via a link from the application's/website homepage, you should contact the application/website owners directly for more information. We do not provide any personally identifiable information to third party websites / advertisers / ad-servers without your explicit consent

How collected data is used

Purpose and Lawfulness of processing

We will only collect and process personal data about you where we have lawful basis. Lawful basis on which we would process your personal information includes obtaining explicit consent from you or processing for "legitimate interests" where processing is necessary by us to provide you with services (For e.g. processing your information by our group companies/affiliates).

We use information to provide, analyse, administer, enhance and personalize our service and marketing efforts, to process your registration, to provide you services, and to communicate with you related to below mentioned points. For example, we use information to:

- To help advertisers understand our audience and confirm the value of advertising on our websites or applications (however it is usually in the form of aggregated statistics on traffic to various pages within our site) and to provide you relevant ads
